Tacta® Pipette Multipacks
The Smart Solution for Your Lab

Tacta® Mechanical Pipettes
- Reliable results, even over lengthy pipetting periods
- Comfortable to hold due to the ergonomically designed handle
- Low pipetting and tip ejection forces
- Controlled and smooth tip ejection with the new Sartorius Optiject® technology
- The unique Sartorius Optilock® system provides flexibility for volume adjustment and locking
- Calibration adjustment to provide accurate results for various liquid types
- Easy to clean, with only three parts to disassemble
- Fully autoclavable

Sartorius Optifit Tips
- High-quality standard tips
- Excellent solution for various applications
- Versatile selection of packages and purity options
